

# STATESVILLE HAUNTED PRISON AND CITY OF THE DEAD A ZOMBIE ARMY PRODUCTION

FOR IMMEDIATE RELEASE

## STATESVILLE HAUNTED PRISON AND CITY OF THE DEAD OPEN THEIR AWARD-WINNING SHOW SEPTEMBER 30<sup>TH</sup>

CRESTHILL, IL - September 30, 2011 marks the opening day of Chicago's #1 Rated Haunted Attraction. **Statesville Haunted Prison** is back and meaner than ever! Statesville was not only ranked as the **Best Haunted House in Chicagoland 2010** by <http://www.hauntedhousechicago.com>, but has also won that award eight out of the past ten years. In 2011, **Statesville Haunted Prison** has aggressively made changes to 35% of the haunt and added a third event at the attraction, **ZOMBIE HUNT**. After making your way through these horrific haunts, you will be able to test your zombie hunting skills at our Zombie Hunt Shooting Gallery.

**Statesville Haunted Prison** and **City of the Dead** are not your average haunted attraction. They're *meaner*. This aggressive interactive experience is designed for teen and adult audiences, and *not* intended for children. **Statesville Haunted Prison** takes you through the twisted chambers of the darkest creatures ever imprisoned. This haunt has over 40 rooms, over 150 prisoners/creatures, and takes up to one hour to find your way through.

**New and newly re-designed this season:** The Clown Room, The Dog Cage, The Mine Shaft, The Body Dump and the Zombie Hunt Shooting Gallery.
